

Alpine Combi 3000

Refrigerated & Frozen Food Merchandiser

High capacity with a small footprint. This high capacity stand alone food and frozen machine that fits through a 32" doorway. The Combi 3000 features next generation air flow architecture allowing it to dispense refrigerated AND frozen foods from the same machine using a common delivery fall space.

- **Two machines in one.** Refrigerated foods from the top ice cream and other frozen foods from the bottom
- **High capacity** with up to 540 items and moves easily through most entryways
- **Glass front design** reduces shopping and provides always full appearance
- **American's with Dissabilities Act (ADA) Ready**
- **LED lighting** enhances product presentation, requires no service for minimum of **5+ years** and reduces lighting energy costs by **73%** over fluorescent equipped models
- **Convertible in the field** to fully refrigerated or fully frozen
- **Motor pairing capable**

Alpine Combi 3000

Glass Front Refrigerated/Frozen Merchandiser

Shown with silver ADA door and kick panel options.

Shown in black with ADA door, iCart touch screen, automatic delivery assist and kick panel options.
