CF 1000

Cold Food Vendor

Sandwiches and garden salads. Desserts, fresh fruits and more. They're all available with this cold food vendor from U-Select-It. Engineered to work with a host vendor, the machine has all the merchandising capabilities of a glass-front snack vendor. Its fresh, inviting appearance, extra-large merchandise viewing space and vertical lighting provide maximum product appeal to keep perishable items moving fast.

FF 2000

Frozen Food Vendor

Incorporating all the benefits of the CF1000 Cold Food Vendor, the FF2000 Frozen Food Vendor takes your vending beyond the normal product offered. The FF2000's multi-temperature capabilities provide the flexibility to vend a wide range of products including frozen food and premium ice cream (-12°F), slackened or pre-cooked microwavable items (15°F), and cold food and perishables (41°F).

Unsurpassed quality and selection in a compact satellite machine!
