

MERCATO

Glass Front Snack Merchandiser

When it comes to getting the job done, professionals demand the best tools.

U-Select-It continues to serve the vending industry with proven, reliable and quality merchandising systems with our **NEW** Mercato snack vendor.

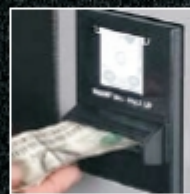

NEW electronic controller and operator interface

- Expanded sales and accounting features
- New backlit keypad with Braille identification
- New bright LED display

MDB/DEX capable

- Interfaces with all industry standard MDB devices including coin & bill acceptors
 - Standard peripheral opening included for add on devices including card readers and other cashless systems
- Except Mercato 2000*

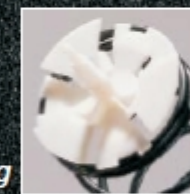

iVend® ensured delivery sensing technology

Infrared sensor system virtually eliminates misvends and ensures that your customers receive their products or their money back.

Flex shelf technology

- USI vendors feature the most versatile trays on the market with features that make a difference in your bottom line.*
- Tilting shelves for easy loading
 - Drop in motors and snap in dividers for quick in-field configuration changes without the need for tools
 - Adjustable snack and candy selections
 - Full snack (5 3/4"W)
 - 3/4 snack (4 5/16"W)
 - Candy (2 7/8"W)
 - 360 - degree helix adjustability in 20 - degree increments provides flexibility to vend virtually anything.

Durable cabinet and door construction

Uniquely designed and constructed from 20 gauge steel, USI snack vendors feature fully welded seams and internal bracing making them a solid long-term investment.

Financing available on all models. Call for Details.
